3. Preface

3.1 The Wrexham County Borough Council Education and Early Interventions Services Department has prepared this updated document as a model of good practice that reflects the systems and processes that operate within the Local Authority Area.

3.2 The Policy should be adopted by individual schools and should be reviewed periodically by the Headteacher and the Governing Body.

Portia Woods (the school Designated Safeguarding Person) submitted the reviewed and revised school policy to the Governing Body on 25.03.25 where it was approved and recorded within the minutes of the meeting.

4 Introduction

4.1 What is Safeguarding?

4.1.1 Safeguarding is protecting children from abuse, neglect or other kinds of harm, and educating those around them to recognise the signs and dangers. Safeguarding and promoting the well-being of all children attending a school is defined for the purposes of this policy as (Section 175 of the Education Act 2002) and Section 3 of the Social Services and Well-being (Wales) Act 2014:

- Protecting children from risk of abuse, neglect or other kinds of harm;
- Preventing impairment of children's health or development;
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to achieve the best outcomes

4.1.2. The safeguarding of children is of utmost importance at Rhosddu Primary School. School should provide a secure and inclusive environment in which children and young people can

flourish and grow. In order to achieve this, wide ranging measures have been put into place, by way of policies, as outlined in Section 17.

4.1.3. Safeguarding children and young people who are at risk of abuse and neglect inevitably involves uncertainty, ambiguity and fallibility due to the limited knowledge, predictions about the child's future welfare are imperfect, and there is no definitive way of balancing the conflicting rights of parents and children. However, it is a fundamental principle that the protection of children from harm is the responsibility of all practitioners working with children as outlined in the Wales Safeguarding Procedures 2019. Parents and the public rightly expect high standards from practitioners to safeguard children but achieving them is challenging for all working in this field.

4.1.4. Wrexham County Borough Council and the Governing Body of Rhosddu Primary School fully recognise the contribution it makes to child protection and safeguarding and moreover the aim is not just to minimise the danger to children but to maximise their health and welfare.

4.1.5. The terms 'child protection' and 'safeguarding' mean different things to different people and it is for this reason that the Welsh Government have defined the terms; the definitions may be viewed at [Safeguarding Wales](#)

4.1.6 The School Safeguarding Leadership Structure is as follows:

School Safeguarding Leadership Structure	
Governing Body	Strategic Overview
Head Teacher	Overall Leadership
Designated Safeguarding Person	Management and Administration

All Staff	Legal duty to record and report child protection concerns
-----------	---

There are three main elements specifically with regard to the safeguarding of children:

- a) Prevention through the teaching and pastoral support offered to pupils
- b) Procedures for identifying and reporting cases, or suspected cases, of abuse. Because of our day to day contact with children, school staff are well placed to observe the outwards signs of abuse
- c) Support to pupils who may have been abused.

4.1.7. This policy applies to **all** governors, staff and volunteers working in the school. Teachers, teaching assistants, mid-day supervisors, caretakers, secretaries, and office staff all of whom can be the first point of disclosure for a child.

4.1.8. As well as applying to the list of people set out above, it imposes personal obligations upon them.

4.1.9. **All staff *MUST* record and report any child protection problems, concerns or suspicions to the Designated Safeguarding Person with minimal delay and on the day of the concern.**

4.1.10. This is not a matter of individual choice but a statutory duty on **all** individual practitioners to report concerns as outlined in the Wales Safeguarding Procedures 2019.

4.2 The Prevent Duty – What to do if you have a concern.

4.2.1. Under the Counter Terrorism and Security Act 2015 the school has a statutory duty to have due regard –to the need to prevent people being drawn into terrorism. For schools this means:

- Teaching a broad and balanced curriculum which promotes spiritual, moral, cultural, mental and physical development of students and prepares them for the opportunities, responsibilities and experiences of life and must promote community cohesion.
- Providing safe spaces in which students can understand and discuss sensitive topics, including terrorism and the extremist ideas that are part of terrorist ideology, and learn how to challenge these ideas
- Be mindful of their existing duties to forbid political indoctrination and secure a balanced presentation of political issues
- Protect students from extremism and the risk of radicalisation in the same way as they protect them from other forms of harm and abuse.

4.2.3. Radicalisation and extremism are defined as the process by which a person comes to support terrorism and forms of extremism leading to terrorism (HM Government Prevent Strategy)

What to do if you have a Concern

4.2.4. If a member of staff has a concern about a particular person or family a referral should be made and safeguarding procedures should be followed, including discussing the Prevent concern with the designated safeguarding person in school, and making a referral through to the local authority children's or adult's social care referral teams.

4.2.5. Staff can also contact your North Wales Police Prevent Officer or Schools Police Liaison Officer who can talk to you in confidence about any concerns and help you gain access to support and advice. [Prevent | North Wales Police](#)

4.3. Local Authority Safeguarding Obligations

4.4.5 Others

- In addition to their duty and responsibility to make referrals, there are other ways in which everyone who works with children and families can contribute to the safeguarding of children and the child protection process:
 - Treat the child's welfare as paramount.
 - Be alert and aware of the risks which individual abusers or potential abusers may pose to children.
 - Recognise when a parent or caregiver has compromised parenting capacity, that is, problems which may affect their capacity to provide effective and appropriate care, or which may mean they pose a risk of harm to a child. Such parents may need to be supported in accordance with the Social Services and Wellbeing (Wales) Act 2014.
 - Be aware of the impact and effects of abuse and neglect on children.
 - Be aware children can be open to both criminal and sexual exploitation through county lines, individuals, and gangs

- Have an understanding of the Social Services and Wellbeing (Wales) Act 2014, which underpins the process of assessing needs, planning services and reviewing the effectiveness of service provision at all stages of work with children and families.
- Share and help to analyse information so that an informed assessment can be made of the child's needs and circumstances.
- Contribute as required to provide help or a specific service to the child or a member of their family as part of an agreed plan and contribute to the reviewing of a child's progress.
- Contribute as necessary at all stages of the child protection process.
- Contribute to regularly reviewing the outcomes for the child against specific shared objectives. This may include school Pastoral Planning (PSP).
- Work co-operatively with the parents, unless this is inconsistent with the need to ensure the child's safety
- Be committed to fully co-operating with all other agencies in the interests of safeguarding children.

The partner agencies listed in the Children Act 2004 and Social Services and Wellbeing (Wales) Act 2014 share statutory responsibility for safeguarding and promoting the welfare of children and there is a legal duty placed on all professionals working for those agencies to report concerns.

This is not a matter for individual choice.

4.4.6. The suspected abuse of a child must be reported to Children's Services or the Police, who are the agencies together with the NSPCC with statutory powers to investigate suspected abuse.

4.4.7. Agencies **must not undertake** their own internal child protection enquiries, but refer their concerns. If the concern involves a member of staff, please see **Section 10** of this policy.

5 Prevention

5.1. Under the Social Services and Wellbeing (Wales) Act 2014 schools have a duty to identify early the needs of all children/young people with the purpose of prevention and protection. Concerns should be discussed with the Education Support Worker (ESW) on duty in SPOA on 01978 295505.

5.2. We recognise that good self-esteem, confidence, supportive friends and good lines of communication with a trusted adult helps to safeguard children. The school will therefore:

- Establish and maintain an ethos where children feel secure and are encouraged to talk, and are listened to
- Ensure that they know all adults in the school who can be approached if they are worried or in difficulty
- Include in the curriculum activities and opportunities for PSE which equip children with the skills they need to stay safe from abuse and to know who to turn to for help

5.3. Include in the curriculum material which will help children develop realistic attitudes to the responsibilities of adult life, particularly with regard to child care and parenting skills (as appropriate). There should be a private place where children/young persons can talk to the appropriate adult. Professionals should not go to this private place alone with the child/young person.

5.4. Staff in schools should also be aware of the services available to their pupils in the form of counselling via The Info Shop or support from dedicated services such as Youth Work in Education and Youth Justice Prevention Support (Secondary)

Advice must be sought from SPOA in relation to the appropriate involvement of family or school staff in the attendance of any interview with the child or young person.

7 Support

7.1 Under the Social Services and Wellbeing (Wales) Act 2014 schools have a duty to assess and support the child in terms of both strengths and weaknesses in keeping the child safe. Relevant partners which include school staff have a duty to report to the Local Authority if it has reasonable cause to suspect that a child is at risk.

7.2 The school should support the pupil through a safety plan which is clearly developed and understood by all parties recording decisive actions. This includes:

- The content of the curriculum to encourage self-esteem and self-motivation with liaison and support from the appropriate commissioned services.

- The school ethos will promote a positive, supportive and secure environment and give pupils a sense of being valued.
- The School's behaviour policy is aimed at supporting vulnerable pupils in school. All staff will agree on a consistent approach, which focuses on the behaviour of the child but does not damage the pupil's sense of self-worth.
- The school will endeavour to ensure that the pupil knows that some behaviour is unacceptable, but s/he is valued and not to be blamed for any abuse that has occurred.
- The liaison with other relevant agencies. This could include, but is not limited to Social Services and other support agencies such as Child and Adolescent Mental Health Service, Educational Psychology Service, Behaviour Support Services, Education Welfare Service, Youth Work in Education, Youth Justice Service and Advocacy Service (Info Shop)
- Keeping records and notifying Children's Services as soon as there is a concern.

7.3 When a pupil on the Child Protection register leaves the school, the school **must** transfer the child protection/safeguarding information file to the new school **immediately** and inform the Headteacher of the new school and the allocated Social Worker in Children's Services. Any safeguarding file on a child must be **sent separately** to the child's school file to ensure confidentiality and mark the safeguarding file for the attention of the Head Teacher of the new school.

7.4 The Wales Accord on the Sharing of Personal Information (WASPI) [WASPI Home - Welsh Accord on Sharing of Personal Information \(gov.wales\)](#) outlines organisational responsibilities in relation to the sharing of sensitive information.

8 Children with Additional Learning Needs (ALN)

8.1 Statistically, children with behavioural difficulties and disabilities are most vulnerable to abuse. School staff who deal with children with varying disabilities, sensory impairment and/or emotional and behaviour problems will be particularly sensitive to signs of abuse.

- 8.2 School staff need to have a high level of awareness with children who have ALN and promote a culture where children are able to make their wishes and feelings known in respect of their care and treatment.
- 8.3 Making sure all children with ALN know how to raise concerns if they are worried or angry about something and giving them access to a range of adults with whom they can communicate. Children with communication difficulties should have available to them at all times a means of being heard.
- 8.4 Children with ALN who are interviewed as part of any safeguarding investigation should be allowed to express their views as to who will be the appropriate adult in an interview situation. Advice must be sought from Social Services SPOA in relation to the appropriate involvement of family or school staff in the attendance of any interview with the child or young person.

9 Supporting Staff

- 9.1 Staff working in the school, who have become involved with a child who has suffered harm, or appears to be likely to suffer harm may find the situation upsetting and/or professionally and morally difficult. Staff will be supported - by providing an opportunity and the time to talk through their anxieties either with their supervisor who may consider further support from the school the Designated Safeguarding Lead who has access to and knowledge of support available in school and through the local authority.
- 9.2 The professional supervision / support of the Designated Safeguarding Lead is the responsibility of the school headteacher. The Local Authority can help to facilitate specific networking support through school when requested.

10 Allegations Made Against a Member of Staff

- 10.1 The school will follow the Welsh Government Circular No: 009/2014 Safeguarding Children in Education - Handling allegations of abuse against teachers and other staff.
- 10.2 The Headteacher and Designated Safeguarding Person will ensure that they are fully aware of the relevant legislation and guidance in relation to procedures required when an allegation is made against a professional and in particular:
- Welsh Government Guidance: Circular No: 009/2014 - Safeguarding Children in Education - Handling allegations of abuse against teachers & other staff.
 - Welsh Government Guidance: Circular No: 002/2020 - Disciplinary and Dismissal Procedures for School Staff
 - Education Workforce Council (EWC) Code of Conduct.
 - Section 5 of The Wales Safeguarding Procedures.
- 10.3 The above guidance may be found on www.wales.gov.uk The Headteacher and Designated Safeguarding Person will have their own individual copies of Circulars: 009/2014 and Circular: 002/2020 listed above and will have fully read and understood the guidance. Advice and guidance is also available from SPOA and/or the Local Authority Safeguarding Officer for Education.
- 10.4 All staff must ensure that any allegation regarding an adult who is working with children is reported immediately to the **Headteacher or the Designated Safeguarding Person**, this will include all school staff, volunteers, governors, occasional workers or contractors and those staff who are not on the school site but come into contact with children i.e. those who transport children to/from school, school crossing patrols etc.
- 10.5 **Allegations against members of staff should be brought immediately to the attention of the Headteacher or the Chair of Governors if allegation is against the Headteacher (KLSiE).** If the allegation is against the Headteacher, then the Chair of

Governors must be informed who in turn must immediately inform the Local Authority Education Safeguarding Officer within Education (If the allegations against a member of staff are reported to the Designated Safeguarding Person, then the Headteacher must immediately be informed.)

10.6 The Headteacher (or Chair of Governors), has overall responsibility for any safeguarding allegation against teachers and other staff.

10.7 In the first instance the Headteacher (or Chair of Governors) should immediately discuss the allegation with SPoA and the Local Authority Education Safeguarding Officer within Education who will also support the school with how to adhere to the Welsh Government guidance listed above. The Local Authority Safeguarding Officer for Education should be informed of **all** allegations that come to a school's attention and appear to meet the criteria set out above so they can consult with the Local Authority Designated Office (LADO) within Children's Services and the police, as appropriate.

10.8 Governing Bodies are responsible for dealing with staff disciplinary matters in all maintained schools and should refer to Welsh Government Guidance: Circular No: 002/2020 - Disciplinary and Dismissal Procedures for School Staff and the Safeguarding Children in Education: handling allegations of abuse against teachers and other staff

11 Safer Recruitment

11.1 The school will adhere to the Welsh Government Circular: 283/2022 Keeping Learners Safe/Chapter 9. All members of staff and volunteers will be required to hold an up to date Disclosure and Barring Service (DBS) disclosure certificate. The school will maintain a record of all staff DBS disclosure dates and ensure that renewals are timely.

- 11.2 A written log of all daily supply staff, volunteers and contractors (KLSiE 19.9) will be kept clearly listing where the DBS disclosure is available or a risk assessment will be formulated in lieu of an available DBS disclosure.
- 11.3 The Headteacher retains responsibility for ensuring that all persons attending the school site are appropriately risk assessed in circumstances where DBS disclosures are unavailable.
- 11.4 The school will also adhere to safer recruitment practices with regard to publicity materials, recruitment websites, advertisements, candidate information packs, person specifications, job descriptions, competency frameworks, interviews and induction training.
- 11.5 The school will adhere to the Local Authority Recruitment Procedures and the Welsh Government Safer Recruitment Guidance.

12 School Site Security

- 12.1 The school is a safe and secure place for pupils to learn and develop learning and social skills. The physical safety of pupils when on school site is of paramount importance. Access to the school site is strictly monitored and reviewed in line with the Local Authority guidance on the Health and Safety of school premises. This must include regular planned auditing of the school site.
- 12.2 A safeguarding school site audit must be undertaken annually and discussed and recorded formally through the governing body of the school. The school's Health and Safety Policy is available and accessible on the school website or on request from the office.

- 12.3 All daily visitors and users of the school site are required to sign in and out of school premises and will be provided with a visitor's badge. They will clearly list the company for whom they work and the reason for the visit or use of the school site.
- 12.4 Staff challenge the reasons of unfamiliar adults being on school site and ensure doors/gates are closed to prevent intrusion.

13. Equality and Diversity

- 13.1 The school is committed to ensuring that all children and young people gain maximum benefit from their education regardless of ethnic origin, sex, age, sexual orientation, disability, religious belief or non-belief, use of BSL or other languages, nationality, responsibility for dependents or any other reason which cannot be shown to be justified.
- 13.2 In order to make sensitive and well informed professional judgments about a child's needs and a parent's capacity to respond to their child's needs, it is important that school staff will be sensitive to differing family patterns, and lifestyles and to child rearing patterns that vary across different racial, ethnic and cultural groups.

14. Confidentiality and Information Sharing

- 14.1 The school recognises that all matters relating to child protection and safeguarding are confidential, however there is a balance between child protection and the right to privacy, as outlined below.
- 14.2 The Head Teacher and/or the Child Protection Officer will disclose any information about a pupil to other members of staff on a need-to-know basis only. There is a professional responsibility to share information with other agencies in order to safeguard children.
- 14.3 Staff will understand that they cannot promise a child to keep secrets, which might compromise the child's safety or wellbeing.
- 14.4 In order to make soundly based decisions there is a need to understand the general principles of sharing information identifiable to a child and/or young persons or their parents/carers. The safety and welfare of a child or young person must be the first consideration when making decisions about sharing information about them.
- 14.5 There must be a legal basis for sharing information and a legitimate purpose for doing so. When dealing with confidential information we will need to be satisfied that there is either:
- a statutory obligation to disclose
 - expressed or implied consent from the persons involved or
 - an overriding public interest in disclosing information
- 14.6 The Data Protection Act is not a barrier to sharing information but provides a framework to ensure that personal information about living persons is shared appropriately.

14.7 Until the development of inter-agency information-sharing protocols all staff will seek advice from the Designated Safeguarding Person and/or the Headteacher with regard to the sharing of any information.

14.8 The Headteacher and DSP will be fully aware of the guidance surrounding the Data Protection Act and the guidance surrounding the sharing of information:
Wales Accord on the Sharing of Public Information (WASPI) framework www.waspi.org/

14.9 For ease of reference the Seven Golden Rules for Information Sharing may be viewed at **Appendix E**.

NOTE: that the 7 golden rules are taken from the gov.uk web site and covers the information contained in the Welsh Government WASPI information.

15. Compliance with this Policy

15.1 All staff must read and understand the contents of this policy, the appendices, and related policies outlined in this policy. All staff must then print and sign their name in the table below.

15.2 Any new staff must comply with the same at the very earliest opportunity.

Appendix A – When a Child Discloses about another Child.

Wales Safeguarding Procedures - What to do if a child tells you that they or another young person is being abused?

It is important to recognise that children may ‘tell’ verbally, through play or through their behaviour

- Keep the child at risk safe; safeguarding is paramount
- Show the child that you have heard what they are saying, and that you take their allegations seriously - The way in which the practitioner responds to these initial disclosures determines whether the child continues to describe what has happened to them or shuts down and retracts anything they may already have said.

As these accounts can prove crucial in legal proceedings the way in which practitioners manage them is important.

- Encourage the child to talk, but do not prompt or ask leading questions.
Questions to possibly ask:
 - o What’s happened?
 - o When did it happen?
 - o Where did it happen?
 - o How did it happen?
 - o Who did it?
- Don't interrupt when the child is recalling significant events. Don't make the child repeat their account. Listen and observe.
- Explain what actions you must take, in a way that is appropriate to the age and understanding of the child

- Do not promise to keep what you have been told secret or confidential, as you have a responsibility to disclose information to those who need to know. Reporting concerns is not a betrayal of trust
- Write down **as soon as you can** and no later than 24 hours what you have been told, using exact words, if possible
- Record and Report your concerns to the Designated Safeguarding Person and if not available contact social services. **Do not delay!**
- Ask the Designated Safeguarding Person what action they intend to take and record the response. If you are not satisfied with the action taken, consult with Social Services
- Do not worry that you may be mistaken. You will always be taken seriously by social services. It is better to have discussed it with somebody with the experience and responsibility to make an assessment
- Do not confront the alleged abuser (may be a young person themselves)
- Make a written note including what you did and the response that you received e. g. from the Designated Safeguarding Person and record any follow up considerations, decisions and actions that you may take
- Review any action taken - RECORD, REPORT AND REVIEW

REVIEW

Factual observations to include child's comments verbatim:

Child's Comments

What did they actually say, quote their words, do not put asterisk instead of swear words or difficult words. Use actual words if you can remember or state that they were similar words used and that you are being approximate

Situation and Task

Where was the incident, what was the child supposed to be doing, was this usual task/situation for the child to be in, was this something that the child would not have experienced before. Were clear instructions given?

Others present

How many other children were present, were any involved, what was their contribution to the incident?

Environmental Factors

Was there anything about the child's physical surroundings that affected their behaviour?

Other adults present

Do you need to cross-reference your account of the incident with anyone else's?

Adult's Comments

What words were actually spoken to the child at the end of the incident/event?

Written Record

Record the Time, Day and Place of the incident, any disclosure and the time that the notes were made. Recordings must be:

- | | |
|---------|--|
| Timely | As soon as possible and within the same working day and if a child protection concern or referral as soon as practicably possible. |
| Factual | Do not record your opinion - imagine that you are a video camera watching the incident and write a narrative that is descriptive but not over complicated. |

Event/Incident Conclusion

How did the matter end, what was the child's behaviour like at the end of and after the incident? Describe your follow up actions e.g. informed the Designated Safeguarding Person and provide him/her with my notes of the incident. Where appropriate, provide a rationale for your decision.

Note: Not all items above will be relevant for all recordings, just be mindful of the headings and record information that is available, do not feel compelled to 'tick every box'

Appendix B – Steps to take where a child is to be spoken with to ascertain whether a child protection concern exists

Subject to any expressions of opinion by the Welsh Government in revised guidance, Designated Safeguarding Persons are advised to take the following steps where a child is to be spoken to in order to ascertain whether a child protection concern exists:

1. The child should be offered the opportunity to have support from an adult of their choice at the meeting (“The Accompanying Adult” or “AA”), whether it is a member of school staff or a parent or other relative.
2. The child’s wish should normally be respected if it is practicable to comply with it (or unless the adult named is involved in some way in the concern being investigated). If it is not feasible to have that adult present, the child should be invited to nominate another adult. If the child does not feel able to make a choice, the COP should suggest someone appropriate.
3. As stated above, the AA should be told of the purpose of the meeting in advance and be given a chance to discuss matters with the pupil. The AA should make it clear that he/she is there to support and advise the pupil, but should not promise that discussions between the pupil and him/her will be kept confidential, as there may be situations in which the AA is told matters that must be made known to the CPS, social services or the police.
4. The AA should be made aware that he/she should not hesitate to intervene on behalf of the pupil if any aspect of the meeting is considered inappropriate.
5. The AA should speak to the pupil after the meeting to seek to provide reassurance and support.

Appendix C – Steps to Take when Meeting with a Young Person to Ascertain Whether the Harmful Sexual Behaviour (HSB) Protocol Applies or a Sexual Relationship Presents a Risk of Harm to Them

Subject to any expressions of opinion by the Welsh Government in revised guidance, Designated Safeguarding Persons are advised to take the following steps when speaking to a young person in a safeguarding and child protection context:

1. Consideration needs to be given as to whether the meeting is appropriate under the applicable guidance and what its objective is.
2. Consideration needs to be given to whether the pupil is likely to be vulnerable and any particular support needs identified.
3. The number and identity of adults present at the meeting should be considered, and consideration given to whether their presence is necessary
4. Consideration should be given to ensuring that the location of the meeting ensures sufficient privacy and confidentiality.
5. Before the meeting starts, the pupil and any Accompanying Adult should be informed of the purpose of the meeting and the pupil given an opportunity to speak to an Accompanying Adult before the meeting starts. The pupil should be told that he/she can speak to the Accompanying Adult at any time.
6. The pupil should be asked about matters in a sensitive way and invited to give an account. They should not be put under any pressure to do so.
7. If at any stage it becomes clear that a formal referral to social services or the police needs to be made, the meeting must stop.
8. Advice may need to be given to the pupil about how to conduct themselves in the future. Such advice should be given in a sensitive non-judgmental way.
9. The meeting should conclude with reassurance being given to the pupil.

A full record should be made by the Designated Safeguarding Person of the meeting.

Appendix E – Information Sharing

7 Golden Rules for Information Sharing

1. Remember that the Data Protection Act is not a barrier to sharing information but provides a framework to ensure that personal information about living persons is shared appropriately.
2. Be open and honest with the person (and/or their family, where appropriate) from the outset about why, what, how and with whom information will or could be shared, and seek their agreement unless it is unsafe or inappropriate to do so.
3. Seek advice if you are in any doubt, without disclosing the identity of the person where possible.
4. Share with consent where appropriate and where possible respect the wishes of those who do not consent to share confidential information. You may still share the information without consent if in your judgement that lack of consent can be overridden in the public interest. You will need to base your judgement on the facts of the case.
5. Consider safety and well-being: Base your information-sharing decisions on considerations of the safety and well-being of the person and others who may be affected by their actions.
6. Necessary, proportionate, relevant, accurate, timely and secure: Ensure that information you share is necessary for the purpose for which you are sharing it, is shared only with those people who need to have it, is accurate and up to date, is shared in a timely fashion and is shared securely.
7. Keep a record of your decision and the reasons for it – whether it is to share information or not. If you decide to share then record what you have shared, with whom and for what purpose.

The objectives of the NWSB are to PROTECT children in its area who are experiencing or at risk of abuse, neglect or other kinds of harm and PREVENT children who are experiencing or at risk of experiencing abuse, neglect or other kind of harm.

Wrexham County Borough Council is a statutory partner of this Board with representatives from both Education and Social Care. Members of the Board are referred to as relevant partners under Part 7 of the Social Services and Well-being (Wales) Act 2014
