Welcome Back!

A warm welcome to all the new pupils and families joining us and a fond welcome back to everyone else- we have missed you and hope you've had a fabulous summer! The children have all settled well and it is lovely to watch them enjoying working and playing together in their new classes.

We are really looking forward to working with you and your children over the next year and making our vision of 'Caring, Inspiring, Achieving' a reality for everyone involved in our school community.

The School Day Our school day begins promptly at 9am for all children in Reception and above. Please try to be punctual as arriving after the start of the school day is disruptive to the learning of all children.

Children in the Infants (Reception to Year 2) are to be collected at 3pm.

Children in the Juniors (Year 3 to Year 6) are to be collected at 3:15pm. If

for any reason your child is unable to attend school please inform the school office on: 01978 318830 or mailbox@rhosddu-pri.wrexham.sch.uk by 10am, many thanks.

Nursery Pupils Morning Nursery Sessions are 9am- 11:30am- Pupils are to be collected via the gate on Mawddy Avenue. Afternoon Nursery Sessions are 12:30-3pm- Pupils (who are not in Nursery Plus) are to be dropped off using the gate on Mawddy Avenue. The Main School Gate will remain closed during the school day and there is no access to Nursery this way, thanks again.

Site Security Many of you will have noticed that over the summer holidays there have been several changes to site security. The damaged and old fencing around the top of the main playground has been replaced. New fencing has been installed in front of the Nursery play area as it was a low wall and gate that could potentially have allowed children to climb and access the main road. Several of the outside doors have also had fobs installed.

These changes bring our security in line with other local schools. I would like to reassure parents that these changes are more about keeping our pupils (some of whom can be adventurous!) in, rather than any concerns we have about keeping people out. School also has robust Safeguarding Policies and Procedures in place. If you have any concerns about our security please come and discuss them with us so we can put your mind at rest.

Our Exciting Learning Environment At the end of the last term and over the summer holidays many exciting changes to our learning environment have been taking place throughout the school. Areas have been decluttered, decorated, new furniture and resources purchased and new spaces for Junior Independent Learning have been created alongside an Oasis Sensory Room and a new School Library. We have been working closely with an organisation called Early Excellence to develop an enabling environment where we foster creativity, curiosity, problem solving skills and independence. We can't wait to invite you in to see all the new and exciting spaces!

School Car Park and Traffic A polite reminder that the school car park is only for the use of school staff. We have also been approached by members of the community to ask that we remind parents not to park on the yellow lines outside either entrance to school and to be considerate of local residents, particularly those on Mawddy Avenue. I have also invited our local PCSOs and Traffic Enforcement Officers to visit us following several parking complaints and would like to assure parents that there is no ulterior motive as may have been suggested in some social media comments recently.
