

# Caring - Inspiring - Achieving

## Expressive Arts

**Caribbean Art and Batik** – Children will be exploring colours and style of different artists and will be learning all about Batik. They will be using what they know to create their own Batik art.

**Caribbean Music** – Children will be exploring Caribbean music and how it makes them feel.

## Humanities

**Map work** – During the summer term we will be identifying human and physical features using coordinates and compass points to locate features and places. Looking at different means of travel within countries and across the globe.

**St. Lucia** – We will be comparing St Lucia and Wales focusing on climates, traditions and ways of life.

## Mathematical Development

Following Abacus scheme

## Health and Wellbeing

**Athletics** – Children will be looking at jumping, throwing and the different types of running. They will be discussing how your body feels during exercise and how to improve fitness.

**Rounders** – Children will be learning how to play team games, striking, hitting and catching. They will be learning how to think strategically and how to be a good team player. Some children will also be going swimming or to gymnastics.

## Rhosddu School

### Year 3 & 4 Summer 2026

### Mind Map

## Science and Technology

**Plants** – We will be learning about different parts of a plant, a range of uses for plants and, naming types of plants and recognising the environments needed for plants to grow. Alongside this we will be conducting a range of plant related investigations which will enable us to experiment, gather data and reflect on our findings.

**Email** – we will be learning about the benefits and history of email, how to compose and send an email correctly and how to identify scam emails.

## Languages, Literacy and Communication

**Persuasive leaflet** – we will be looking at a range of persuasive texts and persuasive language features. We will be using what we have learnt to write a persuasive leaflet for St Lucia, which links to our Geography topic.

**Scripts** – We will be writing a script persuading people to holiday in St. Lucia.

**Caribbean Poetry** – Linking to our learning about St Lucia, we will be looking at Caribbean poetry and creating our own poetry.

**Dilemma Story** – we will be writing a story using all the skills learnt throughout the year.

**Welsh** – During our Welsh lessons we will be learning how to express likes and dislikes for hobbies, through a range of spoken, written and reading activities and also learning how to describe others using third person.

**French** – Children will be learning vocabulary for fruit

# Ready – Respectful – Safe
